Art Space

Nanhai E-cool

The predecessor of Nanhai E-cool is Sanyo Factory. In 2008, Nanhai E-cool was renovated under the premise of retaining the original buildings, and became a park with great artistic and cultural temperament. Walking in the tree-lined Nanhai E-cool, you can feel the elegance and tranquility at any time, as well as the comfort brought by the quiet green space.

Nanhai E-Cool – Ecool space
